

2022 Trends

We hope you enjoy the products in this design. If you would like a design specific to a room in your home, we would love to work with you! At Kelly Home Designs, we will create a design for any part of your home that suits your personality

The greatest benefits of working with us through eDesign are:

- 1) Affordable design where you are in complete control of your budget and when you implement
- 2) It is all done remotely and you can live anywhere in the world to work with us
- 3) We work together to meet your personal style preferences and budget needs
- 4) You'll get shoppable links to all of the items in your design
- 5) You have the option to request to-the-trade exclusive products that are only available to designers!

Schedule an appointment for a FREE discovery call with our Owner and Principal Designer, Jodi Kelly.
